

Your Complimentary Insurance Detail Required Checklist

- ☐ Proposed Start Date
- ☐ Name of Entity (private name, family trust, company or other)
- ☐ Site address (where the work is taking place)
- ☐ Estimated Start date of site (commencement of site works)
- ☐ Completion date (look to be realistic)
- ☐ Description of Construction (i.e. single level dwelling with pool & attached garage)
- ☐ Any unusual features (basement swimming pools, alternative construction methods, piling over 3m or others)
- ☐ Contract Value excluding GST (value of all materials, labour costs. It is also a good idea to factor in all those extra costs that you might be saving by doing the job yourself)
- ☐ Name of Mortgagee / Lender if any
- ☐ Pictures/ photos / plans are always helpful.

It is recommended to provide this 2-3 days prior to start dates

Bridges Insurance Services also recommend taking Property Owners & Statutory Liability covers for the duration of the build to cover your responsibilities for ownership and operation of the site, including Health & Safety risks as you're providing a workplace.

Please note: this is general advice only and you should always check your own contracts and/or policy wording. Please contact your Bridges Broker if you have any questions at all arising from this article.
